Forms for sponsorships and memorials are available at all entrances of the church. Bring these forms with you to the meeting if you plan to attend. As always we welcome newcomers with suggestions and ideas to all of our meetings.

**PRO-LIFE** – On May 21, Pope Benedict XVI called on the laity to become active in the political process. He said Catholics must bear witness to Christ in the political sphere in a “manner coherent with the teachings of the Church”. To not do so, he explained, allows the spirit of a “confused cultural relativism” which weakens democracy and “favors the dominance of strong powers”. The Pope said we must “reinvigorate authentic political wisdom” by becoming involved in associations, movements and communities. Acknowledging that politics is a complex art he went on to state that the contribution of Catholics can be decisive only if our faith is put into action. Get involved.
